## EXPERIENCE

(2004 – date)

### Home maker and full time mother

Shortly after my first child, I took a conscious decision to devote the next few years of my life to the family and help my children build a solid foundation in their growing years. The last 19 years in the role have been extremely satisfying and rewarding

As my children grew and have become reasonably self-sufficient, I am ready for the next phase of my journey

(2002 – 2004)

### Forex (FX) Operations

Scope International, a Standard Chartered Bank (SCB) unit

Scope International is SCB's in-house unit handling a wide range of value added and complex services around Banking Operations. My responsibilities, as part of the Forex Operations team, included:

- Monitoring forex transactions and submitting payment instructions
- Supervising multicurrency accounts with different regions
- Maintaining zero balance in Central bank and Member accounts
- Supervising the RTGS (Real Time Gross Settlement) systems
- Settling payment instructions in Settlement Member Accounts
